Medicare For All Movement to File Human Rights Violation Complaint with the UN

August 6th, 2021

Source: [M4M4ALL.org](https://www.m4m4all.org)
Coverage type: Press Release
Contact: M4M4ALL@M4M4ALL.org

FOR IMMEDIATE RELEASE

M4M4All — The March for Medicare for All Movement released a statement today that the group is filing a human rights violation complaint with the United Nations and will hold a public UN panel discussion later this month. On July 24, thousands of people across the United States in 56 marches and vigils demanded the United States Federal Government to take immediate action on three (3) demands by August 6, 2021. The demands 1) Pass Improved & Expanded Medicare for All Immediately; 2) Recognize Healthcare as a Human Right for all people Regardless of sex, age, creed, race, religion, gender identity, citizenship, disability, geographic location, income, and employment status; and 3) Prioritize Healthcare First in the Federal budget. The failure of the United States to fully protect the health of its population during a pandemic is a violation of basic human rights and dignity.

Medicare For All Movement Calls for Unity to File Human Rights Violation Complaint with the UN

August 6th, 2021

Source: [M4M4ALL.org](https://www.m4m4all.org)

Coverage type: Press Release

Contact: M4M4ALL@M4M4ALL.org

FOR IMMEDIATE RELEASE

M4M4All — The March for Medicare for All Movement released a statement today announcing a nationwide public event for the human rights violation complaint to now be filed with the United Nations on behalf of the United States uninsured and under-insured population. M4M4ALL will hold a public UN panel discussion in August. The Movement calls for human rights attorneys and interested co-signing organizations to contact the national steering committee.

On July 24, thousands of people across the United States in 56 marches and vigils demanded the United States Federal Government take action on three (3) demands by August 6, 2021. The demands were to 1) Pass Improved & Expanded Medicare for All Immediately; 2) Recognize Healthcare as a Human Right for all people Regardless of sex, age, creed, race, religion, gender identity, citizenship, disability, geographic location, income, and employment status; and 3) Prioritize Healthcare First in the Federal budget. The failure of the United States to fully protect the comprehensive health of its population during a pandemic is a violation of basic human rights and dignity.
